Hi Larry –

Thanks for the email! We have extended the comment period for the paint removers rule and for the TCE in vapor degreasing rule. The dockets have been updated. The new close of the comment period is May 19.

Thanks!

Niva

Subject: Extension of the Comment Period for MeCl2 and NMP Paint Stripper Proposal
EPA-HQ-OPPT-2016-0231

Niva –

As I mentioned in my voice mail today, I recently learned during a conversation with Jeff Morris that the Agency has decided to extend the comment period for the proposed TSCA Section 6(a) “paint strippers” regulation by 30 days (i.e. until May 19, 2017).

Can you please advise when and how the extension will be announced by the Agency?
I would like to advise our client of the details in that regard.

Thank you.

Larry
